

VÉRITÉ

by Barco

A woman with dark hair pulled back, wearing a dark purple long-sleeved top and matching pants, stands in a garden. She is positioned in front of a wooden archway with intricate carvings. The background shows lush greenery and a white wall. The lighting is bright and natural, suggesting a sunny day.

easy care

WASHING

Turn garments inside out and machine wash in cold water only with like colors. Do not use bleach. Gently pre-treat stains before washing.

DRYING

It's best to tumble dry garments on low heat. For best results, immediately hang garments on a clothes hanger to avoid wrinkling.

IRONING

With our easy care fabrics, ironing may not be required. However, if it is necessary, use low heat and iron the inside of the garment to avoid "shine" marks on the fabric.

The Barco Story

For Barco, it's a never-ending quest as we look into the future. Because we believe there is always a better way. A better fit, a better fiber, a better silhouette ... just waiting to be revealed. It's this belief that has driven countless innovations over the years, from breakthrough design to high performance fabrics. Barco has not only changed the way our customers work, we've changed the way they feel about work. And we think that's a difference worth making.
